

Nissan Forklift

Nissan Forklift Training Moose Jaw - Nissan takes immense pride in attaining complete client satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to offering high value and meticulous quality standards to their clients. Incorporating a fruitful heritage combined with resilient manufacturing principals, Nissan lift trucks supply some of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their assorted consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering customer support, the business has four separate production facilities that allow them to constantly adapt to their consumers continually evolving wishes by offering an array of progressive ideas and designs.

The Nissan Lift truck North and South American foundation is stationed in Marengo, Illinois. A loyal team of 350 personnel is committed to the cooperation, design and manufacture of their goods. Operating under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to sustain environmental responsibility by using techniques that minimize the global effect of their products and processes. These high standards remind consumers that Nissan operates under the quality seal that their consumers insist upon whilst being an environmentally conscious corporation.

Nissan is confident that they will be able to address any buyer inquiries or considerations. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their warmth and commitment.
